FLEA CONTROL

CUSTOMER RESPONSIBILITY PRIOR TO SERVICE:

1. Have pet treated by a veterinarian the same day as Superior's service.
2. Wash or destroy pet bedding.
3. Vacuum floors (carpeted & non-carpeted) thoroughly paying particular attention to areas under furniture, behind furniture & around perimeter of rooms.
4. Vacuum all crack & crevices along perimeter of the rooms.
5. Mop non-carpeted floors before we come out for treatment.
6. Remove cushions from furniture & vacuum.
7. Immediately after vacuuming, remove vacuum bag or canister, seal it in plastic & remove it from the house.
8. Occupants must vacate the house for a minimum of 4 hours after treatment.

CHILDREN UNDER 1 YEAR OF AGE & ANYONE WHO IS PREGNANT NEED TO BE OUT OF THE HOME FOR 24 HOURS AFTER TREATMENT IS COMPLETED

The home must be vacuumed daily for 1 week following treatment & bag/canister removed each time.

FAILURE TO FOLLOW THE PREPARATIONS WILL VOID THE WARRANTY.
